Nurse, Regina Correctional Centre

The Ministry of Corrections, Public Safety and Policing is committed to keeping Saskatchewan people and communities safe by delivering effective programming and interventions to promote a safe reintegration of adults in conflict with the law, back into our communities. If you are a highly motivated, innovative and energetic individual that is eager to contribute to these challenges and opportunities, the Regina Correctional Centre has a rewarding opportunity for you.

Working with a team of medical professionals, you will not only provide direct patient nursing care and treatment, maintain patient records, actively promote preventative health measures, respond to medical/psychiatric emergencies with appropriate interventions, but will also assess medical and mental conditions and make referrals as needed.

Note: This position involves working day, evening and weekend shifts.

To qualify you will be actively registered with the Registered Psychiatric Nurses Association of Saskatchewan (RPN), or the Saskatchewan Registered Nurses Association (RN).

To apply, visit www.careers.gov.sk.ca

HEA000293, Regina, Corrections, Public Safety and Policing
